

## Statements about Anker Stone Building Sets

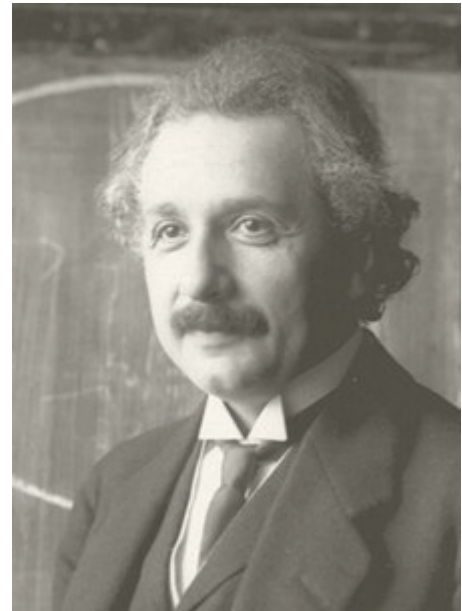

*based on information provided by the manufacturer*

“Fantasy is more important than knowledge, for knowledge is limited.”

“I have no special skills, but I am passionately inquisitive.”

The Anker Stone Building Set plays an important role during the adolescence of the renowned physician and Nobel Prize winner. Einstein develops his scientific curiosity through the distinct building set. According to Einstein the childlike curiosity, amazement and eagerness that are linked to the game, remain the key to fresh productive thinking.

Albert Einstein

”Just wonderful.“

The lawyer Bill Clinton was the 42nd President of the United States from 1993 to 2001.

Shortly after the Anker Stone Building Sets were introduced to the US market, they were awarded with the “Parents’ Publisher Award” and the “Parents’ Choice Award”. The US President himself praised the Anker Stone Building Sets as “Just wonderful - made in Germany”.
